

**NC SWANA Spring 2016 Technical Conference
Greensboro, North Carolina
April 25-28, 2016
at the Greensboro Marriott Downtown**

**“Immediate Challenges and Emerging Trends
In the Solid Waste Industry”**

Our membership faces the challenges of a shifting paradigm in the Solid Waste Industry – from funding and contracts to markets and new technologies.

NC SWANA is calling for submission of abstracts for our 2016 Spring Conference, which will help our membership navigate through these changes and become better prepared to face the challenges of today and tomorrow.

Please submit your abstract to the following email: info@ncswana.org

The deadline for submission is December 1, 2015.
